SUBJECT INDEX

ABSENCE MANAGEMENT
Occupational health nurses: The solution to absence management (Business and Leadership)? Wallace, M. A. 57(3), 122-127.

ABSENTEEISM
A theoretical model for understanding mental health, substance use, and work performance among Asian immigrants (Business and Leadership). Tsai, J. H.-C., & Salazar, M. K. 57(10), 425-433.

ADMINISTRATIVE CONTROLS
Secondhand noise and stress (Health Updates). Tompkins, O. S. 57(10), 436.

AGING WORK FORCE
Effects of extended work shifts and shift work on patient safety, productivity, and employee health (Continuing Education). Keller, S. M. 57(12), 497-502.
Occupational health nurses: The solution to absence management (Business and Leadership)? Wallace, M. A. 57(3), 122-127.

AGRICULTURE
Perceptions of environmental and oc-

cupational health hazards among agricultural workers in Washington State. Hofmann, J. N., Crowe, J., Postma, J., Ybarra, V., & Keifer, M. C. 57(9), 359-371.
Preventing skin cancer among a farming population: Implementing evidence-based interventions (Continuing Education). Gaetano, D. E., Hodge, B., Clark, A., Ackerman, S., Burdick, P., & Cook, M. L. W. 57(1), 24-31.
Risk factors for occupational osteoarthritis: A literature review (Continuing Education). Aluoch, M. A., & Wao, H. O. 57(7), 283-290.
Self-reported back pain among farm women in southeast Louisiana. Hathorn, D. C., Carruth, A. K., Agosta, L. J., & Pryor, S. K. 57(6), 232-238.
Too late smart: Farmers' adoption of self-protective behaviors in response to exposure to hazardous noise. McCullagh, M., & Robertson, C. 57(3), 99-105.

ALCOHOL DEPENDENCY
Development and evaluation of a mental health care system at a Japanese company. Ariyoshi, H. 57(2), 59-65.

AMERICAN BOARD OF OCCUPATIONAL HEALTH NURSES
Safety certification: A path to job security and personal growth (Business and Leadership). Budde, S. R. 57(1), 34-39.

AMERICAN HEART ASSOCIATION
Improving workplace safety training using a self-directed CPR-AED learning program (Continuing Education). Mancini, M. E., Cazzell, M., Kardong-Edgren, S., & Cason, C. L. 57(4), 159-167.

AMERICANS WITH DISABILITIES ACT
The Family and Medical Leave Act: Implications for occupational and environmental health nursing (Continuing Education). Rogers, B., Franke, J. V., Jeras, J., Gravitte, J. T., Randolph, S. A., & Ostendorf, J. S. 57(6), 239-250.

ANAPHYLAXIS
Caterpillar stings: A case study (Professional Practice). Paraska, K. K. 57(10), 402-403.

ANGIOTENSIN-CONVERTING ENZYME (ACE) INHIBITORS
High blood pressure: When should employees be sent home from work (Professional Practice)? Foster, D. 57(2), 47-48.

ANGIOTENSIN RECEPTOR BLOCKERS (ARBs)
High blood pressure: When should employees be sent home from work (Professional Practice)? Foster, D. 57(2), 47-48.

ANTIMALARIAL MEDICATIONS
Malaria (Health Updates). Tompkins, O. S. 57(9), 396.

ASIAN IMMIGRANTS
A theoretical model for understanding mental health, substance use, and work performance among Asian immigrants (Business and Leadership). Tsai, J. H.-C., & Salazar, M. K. 57(10), 425-433.

ASPIRIN
Using aspirin to prevent cardiovascular disease in adults (Health Updates). Chalupka, S. 57(7), 300.

ATTACH POINTS
Delivering ideal employee experiences (Business and Leadership). Weiss, M. D., Tyink, S., & Kubiak, C. 57(5), 210-215.

AUDIOMETRIC MONITORING
What makes a successful hearing conservation program (Continuing Education)? Rogers, B., Meyer, D., Summey, C., Scheessele, D., Atwell, T., Ostendorf, J., Randolph, S. A., & Buckheit, K. 57(8), 321-335.

AUSTRALIAN COLLEGE OF OCCUPATIONAL HEALTH NURSES
Managers' perceptions of the current and future role of occupational health nurses in Australia (Business and Leadership). Mellor, G., & St John, W. 57(2), 79-87.

AUTOMATED EXTERNAL DEFIBRILLATOR
Improving workplace safety training using a self-directed CPR-AED learning program (Continuing Education). Mancini, M. E., Cazzell, M., Kardong-Edgren, S., & Cason, C. L. 57(4), 159-167.

BACK INJURY/PAIN
Development and evaluation of a mental health care system at a Japanese company. Ariyoshi, H. 57(2), 59-65.
Occupational health and safety issues among nurses in the Philippines. de Castro, A. B., Cabrera, S. L., Gee, G. C., Fujishiro, K., & Tagalog, E. A. 57(4), 149-157.
Preventing employee injury: Implementation of a lift team. Springer, P. J., Lind, B. K., Kratt, J., Baker, E., & Clavelle, J. T. 57(4), 143-148.
Self-reported back pain among farm women in southeast Louisiana. Hathorn, D. C., Carruth, A. K., Agosta, L. J., & Pryor, S. K. 57(6), 232-238.

BEHAVIORAL RISK FACTOR SURVEILLANCE SYSTEM
Milwaukee Police Department retirees: Cardiovascular disease risk and morbidity among aging law enforcement officers. Ramey, S. L., Downing, N. R., & Franke, W. D. 57(11), 448-453.

BENCHMARKING
How can case managers stay abreast of community resources to support chronic health conditions (Professional Practice)? Brown, N. D., Haag, A. B., & Kalina, C. M. 57(3), 95-96.

BEST PRACTICES
Business impact of nurse-designed training for claims case managers (Continuing Education). Gleason, A. 57(5), 202-207.
Developing a "best practice" influenza vaccination program for health care workers: An evidence-based,

leadership-modeled program (Professional Practice). Hood, J., & Smith, A. 57(8), 308-312.

BIOTERRORISM
Response of public health workers to various emergencies. DeSimone, C. L. 57(1), 17-23.

BLOODBORNE PATHOGENS STANDARD
Evaluation of home health care nurses' practice and their employers' policies related to bloodborne pathogens. Scharf, B. B., McPhaul, K. M., Trinkoff, A., & Lipscomb, J. 57(7), 275-280.

BOARD OF CERTIFIED SAFETY PROFESSIONALS
Safety certification: A path to job security and personal growth (Business and Leadership). Budde, S. R. 57(1), 34-39.

BODY MASS INDEX
Gestational weight gain to promote optimal outcomes (Health Updates). Chalupka, S. 57(12), 532.
Risk factors for occupational osteoarthritis: A literature review (Continuing Education). Aluoch, M. A., & Wao, H. O. 57(7), 283-290.

BRAND AWARENESS
Delivering ideal employee experiences (Business and Leadership). Weiss, M. D., Tyink, S., & Kubiak, C. 57(5), 210-215.

BREASTFEEDING
Workplace lactation programs: A critical element for breastfeeding mothers' success. Mills, S. P. 57(6), 227-231.

BULLYING
Workplace incivility, bullying, and mobbing (Health Updates). Wachs, J. 57(2), 88.

BURNS
Preventing burns in restaurants (Professional Practice). Papadopoulos, K. 57(7), 263-266.

BUSINESS ATTIRE
Image revisited (Business and Leadership). Lukes, E. N. 57(6), 253-255.

CARDIOPULMONARY RESUSCITATION
Improving workplace safety training using a self-directed CPR-AED learning program (Continuing Education). Mancini, M. E., Cazzell, M., Kardong-Edgren, S., & Cason, C. L. 57(4), 159-167.

CARDIOVASCULAR DISEASE/RISK FACTORS
A successful occupational health nurse-driven health promotion program to support corporate sustainability (Business and Leadership). Redmond, M. S., & Kalina, C. M. 57(12), 507-514.
Cardiovascular risk factors among career firefighters (Continuing Education). Drew-Nord, D. C., Hong, O., & Froelicher, E. S. 57(10), 415-422.
Milwaukee Police Department retirees: Cardiovascular disease risk and morbidity among aging law enforcement officers. Ramey, S. L., Downing, N. R., & Franke, W. D. 57(11), 448-453.
Omega-3 polyunsaturated fatty acid in primary and secondary cardiovascular disease prevention (Health Updates). Chalupka, S. 57(11), 480.
The costs of short sleep (Continuing Education). Ohlmann, K. K., & O'Sullivan, M. I. 57(9), 381-385.
Using aspirin to prevent cardiovascular disease in adults (Health Updates). Chalupka, S. 57(7), 300.

CASE MANAGEMENT
How can case managers effectively handle stress-related illness (Professional Practice)? Brown, N. D. 57(6), 225-226.
How can case managers stay abreast of community resources to support chronic health conditions (Professional Practice)? Brown, N. D., Haag, A. B., & Kalina, C. M. 57(3), 95-96.

CEILING LIFTS
Evaluation of ceiling lifts in health care settings: Patient outcome and perceptions. Alamgir, H., Li, O. W., Gorman, E., Fast, C., Yu, S., & Kidd, C. 57(9), 374-380.

CENTERS FOR DISEASE CONTROL AND PREVENTION
Summary recommendations by the Advisory Committee on Immunization Practices (ACIP) for the use of H1N1 influenza vaccine for the 2009-2010 vaccination season (Occupational Health Nursing Currents). Litchfield, S. M. 57(9), 354.

CHAOS THEORY
The effect of tailored e-mails in the workplace: Part II. Increasing overall physical activity. Yap, T. L., Davis, L. S., Gates, D. M., Hemmings, A. B., & Pan, W. 57(7), 313-319.

CHILBLAIN
Cold stress in the work environment (Health Updates). Chalupka, S. 57(1), 40.

CHINESE HEALTH CARE
Sharp object injuries among health care workers in a Chinese province. Chen, L., Zhang, M., Yan, Y., Miao, J., Lin, H., Zhang, Y. Wang, H., Du, X., & Li, T. 57(1), 13-16.

CHINESE WORKERS
Sociocultural contexts and worker safety and health: Findings of a study with Chinese immigrant restaurant workers. Tsai, J., & Bruck, A. 57(2), 51-58.

CHOLESTEROL
Worksite wellness: A cholesterol awareness program (Continuing Education). Fritsch, M. A., Montpellier, J., & Kussman, C. 57(2), 69-76.

CHRONIC DISEASE/PAIN
Health and gender comparisons in the long-haul trucking industry: A pilot study. Layne, D. M., Rogers, B., & Randolph, S. A. 57(10), 405-413.
When is an injury compensable (Pro-

fessional Practice)? Foster, D. 57(11), 443-445.

CLAIMS CASE MANAGERS
Business impact of nurse-designed training for claims case managers (Continuing Education). Gleason, A. 57(5), 202-207.

COLD STRESS
Cold stress in the work environment (Health Updates). Chalupka, S. 57(1), 40.

COMMUNICATION
Reduction in force perspectives: The occupational health nurse as the employer (Health Updates). Tompkins, O. S. 57(5), 216.

COMMUNITY-BASED PARTICIPATORY RESEARCH
Perceptions of environmental and occupational health hazards among agricultural workers in Washington State. Hofmann, J. N., Crowe, J., Postma, J., Ybarra, V., & Keifer, M. C. 57(9), 359-371.

COMMUNITY HEALTH RESOURCES
How can case managers stay abreast of community resources to support chronic health conditions (Professional Practice)? Brown, N. D., Haag, A. B., & Kalina, C. M. 57(3), 95-96.

COMPENSABLE INJURY
When is an injury compensable (Professional Practice)? Foster, D. 57(11), 443-445.

CONFIDENTIALITY
HIPAA and the occupational health nurse (Occupational Health Nursing Currents). Litchfield, S. M. 57(10), 399.

CONSTRUCTION
Risk factors for occupational osteoarthritis: A literature review (Continuing Education). Aluoch, M. A., & Wao, H. O. 57(7), 283-290.

CONTINUING NURSING EDUCATION
Occupational health nurses' roles, credentials, and continuing education in Ontario, Canada (Business and Leadership). Alleyne, J., & Bonner, A. 57(9), 389-395.

COST-BENEFIT ANALYSIS
Evaluating risk: Rabies exposure and occupational implications (Continuing Education). Powell, J. C. 57(11), 465-471.

CREDENTIALING
Occupational health nurses' roles, credentials, and continuing education in Ontario, Canada (Business and Leadership). Alleyne, J., & Bonner, A. 57(9), 389-395.

CREDIBILITY
Image revisited (Business and Leadership). Lukes, E. N. 57(6), 253-255.

CRITICAL CONTROL POINT
Hazard analysis and critical control point (Health Updates). Tompkins, O. S. 57(4), 176.

CRITICAL LIMIT
Hazard analysis and critical control point (Health Updates). Tompkins, O. S. 57(4), 176.

DEPRESSION
Self-reported back pain among farm women in southeast Louisiana. Hathorn, D. C., Carruth, A. K., Agosta, L. J., & Pryor, S. K. 57(6), 232-238.
The costs of short sleep (Continuing Education). Ohlmann, K. K., & O'Sullivan, M. I. 57(9), 381-385.

DERMAL ALLERGY
Thiuram allergy: A potential dermal allergy among health care workers (Professional Practice). Green-McKenzie, J., Pak, V. M., & Crawford, G. H. 57(4), 139-141.

DIABETES
Milwaukee Police Department retirees: Cardiovascular disease risk and morbidity among aging law enforcement officers. Ramey, S. L., Downing, N. R., & Franke, W. D. 57(11), 448-453.
The costs of short sleep (Continuing Education). Ohlmann, K. K., & O'Sullivan, M. I. 57(9), 381-385.

DIET
Worksite wellness: A cholesterol awareness program (Continuing Education). Fritsch, M. A., Montpellier, J., & Kussman, C. 57(2), 69-76.

DIFFERENTIATION
Delivering ideal employee experiences (Business and Leadership). Weiss, M. D., Tyink, S., & Kubiak, C. 57(5), 210-215.

DIRECT CARE WORKERS
Psychosocial factors contributing to occupational injuries among direct care workers (Business and Leadership). Zontek, T. L., Isernhagen, J. C., & Ogle, B. R. 57(8), 338-347.

DISASTER
Response of public health workers to various emergencies. DeSimone, C. L. 57(1), 17-23.

DISCRIMINATION
A theoretical model for understanding mental health, substance use, and work performance among Asian immigrants (Business and Leadership). Tsai, J. H.-C., & Salazar, M. K. 57(10), 425-433.

DOCTOR OF NURSING PRACTICE
Deb Olson, DNP, MPH, RN, COHN-S, FAAOHN (Interview). Lukes, E. 57(5), 185-186.

DOSE-RESPONSE RELATIONSHIP
Risk factors for occupational osteoarthritis: A literature review (Continuing Education). Aluoch, M. A., & Wao, H. O. 57(7), 283-290.

E-MAIL INTERVENTION
The effect of tailored e-mails in the workplace: Part I. Stage movement toward increased physical activity levels. Yap, T. L., Davis,

L. S., Gates, D. M., Hemmings, A. B., & Pan, W. 57(7), 267-273.
The effect of tailored e-mails in the workplace: Part II. Increasing overall physical activity. Yap, T. L., Davis, L. S., Gates, D. M., Hemmings, A. B., & Pan, W. 57(7), 313-319.

EMPLOYEE ASSISTANCE PROGRAMS
How can case managers effectively handle stress-related illness (Professional Practice)? Brown, N. D. 57(6), 225-226.

EMPLOYEE-CENTRIC CARE
Delivering ideal employee experiences (Business and Leadership). Weiss, M. D., Tyink, S., & Kubiak, C. 57(5), 210-215.

EMPLOYEE EDUCATION
What makes a successful hearing conservation program (Continuing Education)? Rogers, B., Meyer, D., Summey, C., Scheessele, D., Atwell, T., Ostendorf, J., Randolph, S. A., & Buckheit, K. 57(8), 321-335.

EMPLOYEE HEALTH
Evaluation of ceiling lifts in health care settings: Patient outcome and perceptions. Alamgir, H., Li, O. W., Gorman, E., Fast, C., Yu, S., & Kidd, C. 57(9), 374-380.
Sharp object injuries among health care workers in a Chinese province. Chen, L., Zhang, M., Yan, Y., Miao, J., Lin, H., Zhang, Y., Wang, H, Du, X., & Li, T. 57(1), 13-16.

EMPOWERMENT
Perceptions of environmental and occupational health hazards among agricultural workers in Washington State. Hofmann, J. N., Crowe, J., Postma, J., Ybarra, V., & Keifer, M. C. 57(9), 359-371.

ENGINEERING CONTROLS
Secondhand noise and stress (Health Updates). Tompkins, O. S. 57(10), 436.

ENVENOMATION
Caterpillar stings: A case study (Professional Practice). Paraska, K. K. 57(10), 402-403.

ERGONOMICS
An effective office ergonomic assessment and intervention program (Professional Practice). Koehl, B. 57(12), 488-490.

EVALUATION RESEARCH
Improving workplace safety training using a self-directed CPR-AED learning program (Continuing Education). Mancini, M. E., Cazzell, M., Kardong-Edgren, S., & Cason, C. L. 57(4), 159-167.

EVIDENCE-BASED PRACTICE
Developing a "best practice" influenza vaccination program for health care workers: An evidence-based, leadership-modeled program (Professional Practice). Hood, J., & Smith, A. 57(8), 308-312.

EXERCISE
Worksite wellness: A cholesterol awareness program (Continuing Education). Fritsch, M. A., Montpellier, J., & Kussman, C. 57(2), 69-76.

EXPOSURE CONTROL PLAN
Evaluation of home health care nurses' practice and their employers' policies related to bloodborne pathogens. Scharf, B. B., McPhaul, K. M., Trinkoff, A., & Lipscomb, J. 57(7), 275-280.

FAMILY AND MEDICAL LEAVE ACT (FMLA)
The Family and Medical Leave Act: Implications for occupational and environmental health nursing (Continuing Education). Rogers, B., Franke, J. V., Jeras, J., Gravitte, J. T., Randolph, S. A., & Ostendorf, J. S. 57(6), 239-250.
Workplace lactation programs: A critical element for breastfeeding mothers' success. Mills, S. P. 57(6), 227-231.

FAMILY HEALTH HISTORY
The impact of the Genetic Information Nondiscrimination Act on occupational health nursing (Occupational Health Nursing Currents). Litchfield, S. M. 57(11), 439-440.

FARMERS
Preventing skin cancer among a farming population: Implementing evidence-based interventions (Continuing Education). Gaetano, D. E., Hodge, B., Clark, A., Ackerman, S., Burdick, P., & Cook, M. L. W. 57(1), 24-31.
Too late smart: Farmers' adoption of self-protective behaviors in response to hazardous noise. McCullagh, M., & Robertson, C. 57(3), 99-105.

FATIGUE
Effects of extended work shifts and shift work on patient safety, productivity, and employee health (Continuing Education). Keller, S. M. 57(12), 497-502.

FIREFIGHTERS/FIRE SUPPRESSION PERSONNEL
Cardiovascular risk factors among career firefighters (Continuing Education). Drew-Nord, D. C., Hong, O., & Froelicher, E. S. 57(10), 415-422.
Measles, mumps, rubella, and varicella immunization status of first responders: A policy proposal (Professional Practice). Nord, D. D. 57(5), 187-189.

FIT TESTING
Respiratory protection: Preparing for H1N1 influenza (Occupational Health Nursing Currents). Litchfield, S. M. 57(12), 483-484.

FOCUS GROUP
Factors affecting Thai workers' use of hearing protection. Tantranont, K., Srisuphan, W., Kaewthummanukul, T., Suthakorn, W., Jormsri, P., & Salazar, M. K. 57(11), 455-463.
Response of public health workers to various emergencies. DeSimone, C. L. 57(1), 17-23.
Sociocultural contexts and worker safety and health: Findings of a

study with Chinese immigrant restaurant workers. Tsai, J., & Bruck, A. 57(2), 51-58.

FOODBORNE ILLNESS/FOOD SAFETY
Hazard analysis and critical control point (Health Updates). Tompkins, O. S. 57(4), 176.

GENETIC INFORMATION NONDISCRIMINATION ACT
The impact of the Genetic Information Nondiscrimination Act on occupational health nursing (Occupational Health Nursing Currents). Litchfield, S. M. 57(11), 439-440.

GESTATIONAL WEIGHT GAIN
Gestational weight gain to promote optimal outcomes (Health Updates). Chalupka, S. 57(12), 532.

GRIEF
Reduction in force perspectives: The occupational health nurse as the employee (Health Updates). Tompkins, O. S. 57(6), 256.

H1N1 (SWINE) INFLUENZA
Respiratory protection: Preparing for H1N1 influenza (Occupational Health Nursing Currents). Litchfield, S. M. 57(12), 483-484.
Summary recommendations by the Advisory Committee on Immunization Practices (ACIP) for the use of H1N1 influenza vaccine for the 2009-2010 vaccination season (Occupational Health Nursing Currents). Litchfield, S. M. 57(9), 354.
The roles of the occupational health nurse and infection control in managing a novel H1N1 surge: Lessons from the front line (Professional Practice). Hood, J., & LaCoe, L. 57(9), 355-358.

HADDON INJURY MODEL
Self-reported back pain among farm women in southeast Louisiana. Hathorn, D. C., Carruth, A. K., Agosta, L. J., & Pryor, S. K. 57(6), 232-238.

HAND SANITIZER/HAND-WASHING
Thiuram allergy: A potential dermal allergy among health care workers (Professional Practice). Green-McKenzie, J., Pak, V. M., & Crawford, G. H. 57(4), 139-141.

HAZARD ANALYSIS
Hazard analysis and critical control point (Health Updates). Tompkins, O. S. 57(4), 176.

HEALTH CARE
What's in a word (Business and Leadership)? Lukes, E. N., & Fioritto, E. L. 57(4), 171-174.

HEALTH CARE ACCESS/UTILIZATION
Health and gender comparisons in the long-haul trucking industry: A pilot study. Layne, D. M., Rogers, B., & Randolph, S. A. 57(10), 405-413.
Use of occupational health services in a Cyprus oncology center. Provan, H., Raftopoulos, V., & Soteriades, E. 57(5), 198-201.

HEALTH CARE WORKERS
Developing a "best practice" influenza vaccination program for health care workers: An evidence-based, leadership-modeled program (Professional Practice). Hood, J., & Smith, A. 57(8), 308-312.
Thiuram allergy: A potential dermal allergy among health care workers (Professional Practice). Green-McKenzie, J., Pak, V. M., & Crawford, G. H. 57(4), 139-141.
Why health care workers decline influenza vaccination (Business and Leadership). Moore, B. S. 57(11), 475-478.

HEALTH EDUCATION
High blood pressure: When should employees be sent home from work (Professional Practice)? Foster, D. 57(2), 47-48.
Preventing skin cancer among a farming population: Implementing evidence-based interventions (Continuing Education). Gaetano, D. E., Hodge, B., Clark, A., Ackerman, S., Burdick, P., & Cook, M. L. W. 57(1), 24-31.

HEALTH INSURANCE
The impact of the Genetic Information Nondiscrimination Act on occupational health nursing (Occupational Health Nursing Currents). Litchfield, S. M. 57(11), 439-440.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT
HIPAA and the occupational health nurse (Occupational Health Nursing Currents). Litchfield, S. M. 57(10), 399.

HEALTH PROMOTION
A successful occupational health nurse-driven health promotion program to support corporate sustainability (Business and Leadership). Redmond, M. S., & Kalina, C. M. 57(12), 507-514.
Development and evaluation of a mental health care system at a Japanese company. Ariyoshi, H. 57(2), 59-65.
High blood pressure: When should employees be sent home from work (Professional Practice)? Foster, D. 57(2), 47-48.
Occupational health nursing in the driver's seat for health promotion (Professional Practice). Lang, Y. C. 57(1), 9-11.
The effect of tailored e-mails in the workplace: Part I. Stage movement toward increased physical activity levels. Yap, T. L., Davis, L. S., Gates, D. M., Hemmings, A. B., & Pan, W. 57(7), 267-273.

HEALTH RISK FACTORS
Health and gender comparisons in the long-haul trucking industry: A pilot study. Layne, D. M., Rogers, B., & Randolph, S. A. 57(10), 405-413.

HEALTHY PEOPLE 2010
Occupational health nursing in the driver's seat for health promotion (Professional Practice). Lang, Y.

C. 57(1), 9-11.
Workplace lactation programs: A critical element for breastfeeding mothers' success. Mills, S. P. 57(6), 227-231.

HEARING CONSERVATION/ PROTECTION
Challenges in hearing conservation: The hearing-impaired worker (Health Updates). Chalupka, S. 57(8), 348.
Factors affecting Thai workers' use of hearing protection. Tantranont, K., Srisuphan, W., Kaewthummanukul, T., Suthakorn, W., Jormsri, P., & Salazar, M. K. 57(11), 455-463.
Too late smart: Farmers' adoption of self-protective behaviors in response to hazardous noise. McCullagh, M., & Robertson, C. 57(3), 99-105.
What makes a successful hearing conservation program (Continuing Education)? Rogers, B., Meyer, D., Summey, C., Scheessele, D., Atwell, T., Ostendorf, J., Randolph, S. A., & Buckheit, K. 57(8), 321-335.

HISPANIC WORKERS
Perceptions of environmental and occupational health hazards among agricultural workers in Washington State. Hofmann, J. N., Crowe, J., Postma, J., Ybarra, V., & Keifer, M. C. 57(9), 359-371.

HISTORY OF NURSING
What's in a word (Business and Leadership)? Lukes, E. N., & Fioritto, E. L. 57(4), 171-174.

HOME HEALTH CARE
Evaluation of home health care nurses' practice and their employers' policies related to bloodborne pathogens. Scharf, B. B., McPhaul, K. M., Trinkoff, A., & Lipscomb, J. 57(7), 275-280.
Psychosocial factors contributing to occupational injuries among direct care workers (Business and Leadership). Zontek, T. L., Isernhagen, J. C., & Ogle, B. R. 57(8), 338-347.

HOSPITAL EMPLOYEE HEALTH
Preventing employee injury: Implementation of a lift team. Springer, P. J., Lind, B. K., Kratt, J., Baker, E., & Clavelle, J. T. 57(4), 143-148.
Use of occupational health services in a Cyprus oncology center. Provan, H., Raftopoulos, V., & Soteriades, E. 57(5), 198-201.

HS^{3TM}
Changing the conversation: The occupational health nurse's role in integrated HS^{3TM} (Business and Leadership). Weiss, M. D. 57(7), 293-299.

HSN1 (AVIAN) INFLUENZA
The roles of the occupational health nurse and infection control in managing a novel H1N1 surge: Lessons from the front line (Professional Practice). Hood, J., & LaCoe, L. 57(9), 355-358.

HYPERCHOLESTEROLEMIA
Milwaukee Police Department retirees: Cardiovascular disease risk and morbidity among aging law enforcement officers. Ramey, S. L., Downing, N. R., & Franke, W. D. 57(11), 448-453.

HYPERSENSITIVITY DISORDERS
Caterpillar stings: A case study (Professional Practice). Paraska, K. K. 57(10), 402-403.

HYPERTENSION
A successful occupational health nurse-driven health promotion program to support corporate sustainability (Business and Leadership). Redmond, M. S., & Kalina, C. M. 57(12), 507-514.
Cardiovascular risk factors among career firefighters (Continuing Education). Drew-Nord, D. C., Hong, O., & Froelicher, E. S. 57(10), 415-422.
High blood pressure: When should employees be sent home from work (Letter to the Editor)? McLarnon, S., & Foster, D. 57(5), 183.
High blood pressure: When should employees be sent home from work (Professional Practice)? Foster, D. 57(2), 47-48.
Milwaukee Police Department retirees: Cardiovascular disease risk and morbidity among aging law enforcement officers. Ramey, S. L., Downing, N. R., & Franke, W. D. 57(11), 448-453.
Results of examinations conducted at a Japanese newspaper company and evaluation of changes in metabolic syndrome and lifestyle habits. Ariyoshi, H., Suzaki, Y., Takayama, N., Wakeshima, R., & Ishitake, T. 57(12), 491-495.
Secondhand noise and stress (Health Updates). Tompkins, O. S. 57(10), 436.
Worksite wellness: A cholesterol awareness program (Continuing Education). Fritsch, M. A., Montpellier, J., & Kussman, C. 57(2), 69-76.

HYPOTHERMIA
Cold stress in the work environment (Health Updates). Chalupka, S. 57(1), 40.

IDEAL EMPLOYEE EXPERIENCES
Delivering ideal employee experiences (Business and Leadership). Weiss, M. D., Tyink, S., & Kubiak, C. 57(5), 210-215.

IMAGE
Image revisited (Business and Leadership). Lukes, E. N. 57(6), 253-255.
Image revisited (Letter to the Editor). Corpuz, A. J., & Lukes, E. N. 57(8), 307.
What's in a word (Business and Leadership)? Lukes, E. N., & Fioritto, E. L. 57(4), 171-174.
What's in a word (Letter to the Editor)? Pereira, C., & Lukes, E. 57(6), 223.

IMMERSION FOOT
Cold stress in the work environment (Health Updates). Chalupka, S. 57(1), 40.

IMMIGRANTS
Sociocultural contexts and worker

safety and health: Findings of a study with Chinese immigrant restaurant workers. Tsai, J., & Bruck, A. 57(2), 51-58.

IMMUNIZATION

Measles, mumps, rubella, and varicella immunization status of first responders: A policy proposal (Professional Practice). Nord, D. D. 57(5), 187-189.

Summary recommendations by the Advisory Committee on Immunization Practices (ACIP) for the use of H1N1 influenza vaccine for the 2009-2010 vaccination season (Occupational Health Nursing Currents). Litchfield, S. M. 57(9), 354.

INCIDENT COMMAND SYSTEM

The roles of the occupational health nurse and infection control in managing a novel H1N1 surge: Lessons from the front line (Professional Practice). Hood, J., & LaCoe, L. 57(9), 355-358.

INCIVILITY

Workplace incivility, bullying, and mobbing (Health Updates). Wachs, J. 57(2), 88.

INDOOR AIR QUALITY

An effective office ergonomic assessment and intervention program (Professional Practice). Koehl, B. 57(12), 488-490.

INFLUENZA VACCINATION

Developing a "best practice" influenza vaccination program for health care workers: An evidence-based, leadership-modeled program (Professional Practice). Hood, J., & Smith, A. 57(8), 308-312.

Use of occupational health services in a Cyprus oncology center. Provan, H., Raftopoulos, V., & Soteriades, E. 57(5), 198-201.

Why health care workers decline influenza vaccination (Business and Leadership). Moore, B. S. 57(11), 475-478.

INFORMATION TECHNOLOGY

Occupational health nursing in the driver's seat for health promotion (Professional Practice). Lang, Y. C. 57(1), 9-11.

INJURY PREVENTION/ REPORTING

Development and evaluation of a mental health care system at a Japanese company. Ariyoshi, H. 57(2), 59-65.

Occupational health and safety issues among nurses in the Philippines. de Castro, A. B., Cabrera, S. L., Gee, G. C., Fujishiro, K., & Tagalog, E. A. 57(4), 149-157.

INTERNATIONAL OCCUPATIONAL HEALTH

Evaluation of menopausal interventions at a Japanese company. Ariyoshi, H. 57(3), 106-111.

Factors affecting Thai workers' use of hearing protection. Tantranont, K., Srisuphan, W., Kaewthummanukul, T., Suthakorn, W., Jormsri, P., & Salazar, M. K. 57(11), 455-463.

Results of examinations conducted at a Japanese newspaper company and evaluation of changes in metabolic syndrome and lifestyle habits. Ariyoshi, H., Suzaki, Y., Takayama, N., Wakeshima, R., & Ishitake, T. 57(12), 491-495.

Use of occupational health services in a Cyprus oncology center. Provan, H., Raftopoulos, V., & Soteriades, E. 57(5), 198-201.

JOB LOSS STRATEGY

Reduction in force perspectives: The occupational health nurse as the employee (Health Updates). Tompkins, O. S. 57(6), 256.

JOB SATISFACTION

Psychosocial factors contributing to occupational injuries among direct care workers (Business and Leadership). Zontek, T. L., Isernhagen, J. C., & Ogle, B. R. 57(8), 338-347.

LACTATION

Workplace lactation programs: A critical element for breastfeeding mothers' success. Mills, S. P. 57(6), 227-231.

LATEX ALLERGY

Thiuram allergy: A potential dermal allergy among health care workers (Professional Practice). Green-McKenzie, J., Pak, V. M., & Crawford, G. H. 57(4), 139-141.

LAW ENFORCEMENT OFFICERS

Milwaukee Police Department retirees: Cardiovascular disease risk and morbidity among aging law enforcement officers. Ramey, S. L., Downing, N. R., & Franke, W. D. 57(11), 448-453.

LEADERSHIP

Developing a "best practice" influenza vaccination program for health care workers: An evidence-based, leadership-modeled program (Professional Practice). Hood, J., & Smith, A. 57(8), 308-312.

LEPIDOPTERISM

Caterpillar stings: A case study (Professional Practice). Paraska, K. K. 57(10), 402-403.

LIFTING TEAM

Preventing employee injury: Implementation of a lift team. Springer, P. J., Lind, B. K., Kratt, J., Baker, E., & Clavelle, J. T. 57(4), 143-148.

LINGUISTICS

What's in a word (Business and Leadership)? Lukes, E. N., & Fioritto, E. L. 57(4), 171-174.

What's in a word (Letter to the Editor)? Pereira, C., & Lukes, E. 57(6), 223.

LIPIDS

Cardiovascular risk factors among career firefighters (Continuing Education). Drew-Nord, D. C., Hong, O., & Froelicher, E. S. 57(10), 415-422.

LONG-HAUL TRUCKERS

Health and gender comparisons in the long-haul trucking industry: A pilot study. Layne, D. M., Rogers, B., & Randolph, S. A. 57(10), 405-413.

LONG-TERM CARE
Psychosocial factors contributing to occupational injuries among direct care workers (Business and Leadership). Zontek, T. L., Isernhagen, J. C., & Ogle, B. R. 57(8), 338-347.

LONG-TERM DISABILITY
Occupational health nurses: The solution to absence management (Business and Leadership)? Wallace, M. A. 57(3), 122-127.

MALARIA
Malaria (Health Updates). Tompkins, O. S. 57(9), 396.

MANUFACTURING
Risk factors for occupational osteoarthritis: A literature review (Continuing Education). Aluoch, M. A., & Wao, H. O. 57(7), 283-290.

MASLOW'S HIERARCHY OF NEEDS
The effect of tailored e-mails in the workplace: Part I. Stage movement toward increased physical activity levels. Yap, T. L., Davis, L. S., Gates, D. M., Hemmings, A. B., & Pan, W. 57(7), 267-273.
The effect of tailored e-mails in the workplace: Part II. Increasing overall physical activity. Yap, T. L., Davis, L. S., Gates, D. M., Hemmings, A. B., & Pan, W. 57(7), 313-319.

MATERNAL HEALTH
Gestational weight gain to promote optimal outcomes (Health Updates). Chalupka, S. 57(12), 532.

MELANOMA
Preventing skin cancer among a farming population: Implementing evidence-based interventions (Continuing Education). Gaetano, D. E., Hodge, B., Clark, A., Ackerman, S., Burdick, P., & Cook, M. L. W. 57(1), 24-31.

MEMBER VALUE
Improving member value: Increasing professional practice knowledge (Editorial). Cox, A. R. 57(1), 3.

MENOPAUSE
Evaluation of menopausal interventions at a Japanese company. Ariyoshi, H. 57(3), 106-111.

MENTAL HEALTH
A theoretical model for understanding mental health, substance use, and work performance among Asian immigrants (Business and Leadership). Tsai, J. H.-C., & Salazar, M. K. 57(10), 425-433.
Development and evaluation of a mental health care system at a Japanese company. Ariyoshi, H. 57(2), 59-65.
Evaluation of menopausal interventions at a Japanese company. Ariyoshi, H. 57(3), 106-111.

METABOLIC SYNDROME
Results of examinations conducted at a Japanese newspaper company and evaluation of changes in metabolic syndrome and lifestyle habits. Ariyoshi, H., Suzaki, Y., Takayama, N., Wakeshima, R., & Ishitake, T. 57(12), 491-495.

MILITARY FAMILIES
The Family and Medical Leave Act: Implications for occupational and environmental health nursing (Continuing Education). Rogers, B., Franke, J. V., Jeras, J., Gravitte, J. T., Randolph, S. A., & Ostendorf, J. S. 57(6), 239-250.

MINING
Risk factors for occupational osteoarthritis: A literature review (Continuing Education). Aluoch, M. A., & Wao, H. O. 57(7), 283-290.

MOBBING
Workplace incivility, bullying, and mobbing (Health Updates). Wachs, J. 57(2), 88.

MOSQUITO VECTOR
Malaria (Health Updates). Tompkins, O. S. 57(9), 396.

MOTHER-FRIENDLY
Workplace lactation programs: A critical element for breastfeeding mothers' success. Mills, S. P. 57(6), 227-231.

MUMPS
Measles, mumps, rubella, and varicella immunization status of first responders: A policy proposal (Professional Practice). Nord, D. D. 57(5), 187-189.

N95 RESPIRATOR
Respiratory protection: Preparing for H1N1 influenza (Occupational Health Nursing Currents). Litchfield, S. M. 57(12), 483-484.

NATIONAL CHOLESTEROL EDUCATION PROGRAM II
Worksite wellness: A cholesterol awareness program (Continuing Education). Fritsch, M. A., Montpellier, J., & Kussman, C. 57(2), 69-76.

NEEDLESTICKS
Evaluation of home health care nurses' practice and their employers' policies related to bloodborne pathogens. Scharf, B. B., McPhaul, K. M., Trinkoff, A., & Lipscomb, J. 57(7), 275-280.

NETWORKING
How can case managers stay abreast of community resources to support chronic health conditions (Professional Practice)? Brown, N. D., Haag, A. B., & Kalina, C. M. 57(3), 95-96.

NEWBORN HEALTH
Gestational weight gain to promote optimal outcomes (Health Updates). Chalupka, S. 57(12), 532.

NOISE-INDUCED HEARING LOSS
Factors affecting Thai workers' use of hearing protection. Tantranont, K., Srisuphan, W., Kaewthummanukul, T., Suthakorn, W., Jormsri, P., & Salazar, M. K. 57(11), 455-463.
Too late smart: Farmers' adoption of self-protective behaviors in re-

sponse to hazardous noise. McCullagh, M., & Robertson, C. 57(3), 99-105.
What makes a successful hearing conservation program (Continuing Education)? Rogers, B., Meyer, D., Summey, C., Scheessele, D., Atwell, T., Ostendorf, J., Randolph, S. A., & Buckheit, K. 57(8), 321-335.

NO LIFT POLICY
Preventing employee injury: Implementation of a lift team. Springer, P. J., Lind, B. K., Kratt, J., Baker, E., & Clavelle, J. T. 57(4), 143-148.

NURSE PRACTITIONER
Patient satisfaction with nurse practitioner and physician services in the occupational health setting. Guzik, A., Menzel, N. N., Fitzpatrick, J., & McNulty, R. 57(5), 191-197.

NURSE SAFETY
Evaluation of ceiling lifts in health care settings: Patient outcome and perceptions. Alamgir, H., Li, O. W., Gorman, E., Fast, C., Yu, S., & Kidd, C. 57(9), 374-380.

NURSING IMAGE
Image revisited (Business and Leadership). Lukes, E. N. 57(6), 253-255.
Image revisited (Letter to the Editor). Corpuz, A. J., & Lukes, E. N. 57(8), 307.
What's in a word (Business and Leadership)? Lukes, E. N., & Fioritto, E. L. 57(4), 171-174.
What's in a word (Letter to the Editor)? Pereira, C., & Lukes, E. 57(6), 223.

OBESITY
Cardiovascular risk factors among career firefighters (Continuing Education). Drew-Nord, D. C., Hong, O., & Froelicher, E. S. 57(10), 415-422.
Worksite wellness: A cholesterol awareness program (Continuing Education). Fritsch, M. A., Montpellier, J., & Kussman, C. 57(2), 69-76.

OCCUPATIONAL HEALTH NURSE ACTIVITIES/ROLE
Managers' perceptions of the current and future role of occupational health nurses in Australia (Business and Leadership). Mellor, G., & St John, W. 57(2), 79-87.
Occupational health nurses' roles, credentials, and continuing education in Ontario, Canada (Business and Leadership). Alleyne, J., & Bonner, A. 57(9), 389-395.

OCCUPATIONAL ILLNESS/INJURY
Occupational health and safety issues among nurses in the Philippines. de Castro, A. B., Cabrera, S. L., Gee, G. C., Fujishiro, K., & Tagalog, E. A. 57(4), 149-157.
Occupational health nurses: The solution to absence management (Business and Leadership)? Wallace, M. A. 57(3), 122-127.
Patient satisfaction with nurse practitioner and physician services in the occupational health setting. Guzik, A., Menzel, N. N., Fitzpatrick, J., & McNulty, R. 57(5), 191-197.
Psychosocial factors contributing to occupational injuries among direct care workers (Business and Leadership). Zontek, T. L., Isernhagen, J. C., & Ogle, B. R. 57(8), 338-347.
Sociocultural contexts and worker safety and health: Findings of a study with Chinese immigrant restaurant workers. Tsai, J., & Bruck, A. 57(2), 51-58.
When is an injury compensable (Professional Practice)? Foster, D. 57(11), 443-445.

OCCUPATIONAL STRESS
Psychosocial factors contributing to occupational injuries among direct care workers (Business and Leadership). Zontek, T. L., Isernhagen, J. C., & Ogle, B. R. 57(8), 338-347.
Secondhand noise and stress (Health Updates). Tompkins, O. S. 57(10), 436.

OFFICE WORK
An effective office ergonomic assessment and intervention program (Professional Practice). Koehl, B. 57(12), 488-490.

OMEGA-3 POLYUNSATURATED FATTY ACID
Omega-3 polyunsaturated fatty acid in primary and secondary cardiovascular disease prevention (Health Updates). Chalupka, S. 57(11), 480.

ORGANIZATIONAL CLIMATE
Psychosocial factors contributing to occupational injuries among direct care workers (Business and Leadership). Zontek, T. L., Isernhagen, J. C., & Ogle, B. R. 57(8), 338-347.

ORGANIZATIONAL RESTRUCTURING
Development and evaluation of a mental health care system at a Japanese company. Ariyoshi, H. 57(2), 59-65.

OSTEOARTHRITIS
Risk factors for occupational osteoarthritis: A literature review (Continuing Education). Aluoch, M. A., & Wao, H. O. 57(7), 283-290.

PANDEMIC INFLUENZA PLAN
The roles of the occupational health nurse and infection control in managing a novel H1N1 surge: Lessons from the front line (Professional Practice). Hood, J., & LaCoe, L. 57(9), 355-358.

PATCH TESTING
Thiuram allergy: A potential dermal allergy among health care workers (Professional Practice). Green-McKenzie, J., Pak, V. M., & Crawford, G. H. 57(4), 139-141.

PATIENT HANDLING/SAFETY
Evaluation of ceiling lifts in health care settings: Patient outcome and perceptions. Alamgir, H., Li, O. W., Gorman, E., Fast, C., Yu, S., & Kidd, C. 57(9), 374-

380.
Preventing employee injury: Implementation of a lift team. Springer, P. J., Lind, B. K., Kratt, J., Baker, E., & Clavelle, J. T. 57(4), 143-148.

PATIENT PERCEPTION/SATISFACTION
Evaluation of ceiling lifts in health care settings: Patient outcome and perceptions. Alamgir, H., Li, O. W., Gorman, E., Fast, C., Yu, S., & Kidd, C. 57(9), 374-380.
Patient satisfaction with nurse practitioner and physician services in the occupational health setting. Guzik, A., Menzel, N. N., Fitzpatrick, J., & McNulty, R. 57(5), 191-197.
Patient satisfaction with nurse practitioner and physician services in the occupational health setting (Letter to the Editor). Lukes, E. N. 57(8), 307.

PEDIATRIC ASTHMA
Perceptions of environmental and occupational health hazards among agricultural workers in Washington State. Hofmann, J. N., Crowe, J., Postma, J., Ybarra, V., & Keifer, M. C. 57(9), 359-371.

PERSONAL PROTECTIVE EQUIPMENT
Respiratory protection: Preparing for H1N1 influenza (Occupational Health Nursing Currents). Litchfield, S. M. 57(12), 483-484.

PESTICIDES
Perceptions of environmental and occupational health hazards among agricultural workers in Washington State. Hofmann, J. N., Crowe, J., Postma, J., Ybarra, V., & Keifer, M. C. 57(9), 359-371.

PHILIPPINES
Occupational health and safety issues among nurses in the Philippines. de Castro, A. B., Cabrera, S. L., Gee, G. C., Fujishiro, K., & Tagalog, E. A. 57(4), 149-157.

PHYSICAL ACTIVITY
The effect of tailored e-mails in the workplace: Part I. Stage movement toward increased physical activity levels. Yap, T. L., Davis, L. S., Gates, D. M., Hemmings, A. B., & Pan, W. 57(7), 267-273.
The effect of tailored e-mails in the workplace: Part II. Increasing overall physical activity. Yap, T. L., Davis, L. S., Gates, D. M., Hemmings, A. B., & Pan, W. 57(7), 313-319.

PHYSICIAN
What's in a word (Business and Leadership)? Lukes, E. N., & Fioritto, E. L. 57(4), 171-174.

POLICY
Occupational health nursing in the driver's seat for health promotion (Professional Practice). Lang, Y. C. 57(1), 9-11.

PREEXISTING CONDITION
When is an injury compensable (Professional Practice)? Foster, D. 57(11), 443-445.

PREPAREDNESS
The role of occupational health nurses in terrorist attacks employing radiological dispersal devices (Continuing Education). Cabrera, S. L., & Beaton, R. D. 57(3), 112-119.

PRESENTEEISM
A theoretical model for understanding mental health, substance use, and work performance among Asian immigrants (Business and Leadership). Tsai, J. H.-C., & Salazar, M. K. 57(10), 425-433.

PREVENTION
High blood pressure: When should employees be sent home from work (Professional Practice)? Foster, D. 57(2), 47-48.
Omega-3 polyunsaturated fatty acid in primary and secondary cardiovascular disease prevention (Health Updates). Chalupka, S. 57(11), 480.

PRODUCTIVITY
A successful occupational health nurse-driven health promotion program to support corporate sustainability (Business and Leadership). Redmond, M. S., & Kalina, C. M. 57(12), 507-514.
Cold stress in the work environment (Health Updates). Chalupka, S. 57(1), 40.
Effects of extended work shifts and shift work on patient safety, productivity, and employee health (Continuing Education). Keller, S. M. 57(12), 497-502.
Psychosocial factors contributing to occupational injuries among direct care workers (Business and Leadership). Zontek, T. L., Isernhagen, J. C., & Ogle, B. R. 57(8), 338-347.

PROFESSIONAL PRACTICE
Improving member value: Increasing professional practice knowledge (Editorial). Cox, A. R. 57(1), 3.

PROFESSIONALISM
Image revisited (Letter to the Editor). Corpuz, A. J., & Lukes, E. N. 57(8), 307.

PUBLIC HEALTH WORKERS
Response of public health workers to various emergencies. DeSimone, C. L. 57(1), 17-23.

QUALITY OF CARE
Evaluation of ceiling lifts in health care settings: Patient outcome and perceptions. Alamgir, H., Li, O. W., Gorman, E., Fast, C., Yu, S., & Kidd, C. 57(9), 374-380.

QUANTIFERON-TB GOLD
Tuberculosis testing update (Health Updates). Tompkins, O. S. 57(3), 128.

RABIES
Evaluating risk: Rabies exposure and occupational implications (Continuing Education). Powell, J. C. 57(11), 465-471.

RADIOACTIVE CONTAMINATION/EXPOSURE
The role of occupational health nurses in terrorist attacks employing radiological dispersal devices (Continuing Education). Cabre-

ra, S. L., & Beaton, R. D. 57(3), 112-119.

RADIOLOGIC DISPERSAL DEVICES
The role of occupational health nurses in terrorist attacks employing radiological dispersal devices (Continuing Education). Cabrera, S. L., & Beaton, R. D. 57(3), 112-119.

RADIOLOGIC TERRORISM
The role of occupational health nurses in terrorist attacks employing radiological dispersal devices (Continuing Education). Cabrera, S. L., & Beaton, R. D. 57(3), 112-119.

RECOVERY
The role of occupational health nurses in terrorist attacks employing radiological dispersal devices (Continuing Education). Cabrera, S. L., & Beaton, R. D. 57(3), 112-119.

REDUCTION IN FORCE
Reduction in force perspectives: The occupational health nurse as the employee (Health Updates). Tompkins, O. S. 57(6), 256.
Reduction in force perspectives: The occupational health nurse as the employer (Health Updates). Tompkins, O. S. 57(5), 216.

REM SLEEP
The costs of short sleep (Continuing Education). Ohlmann, K. K., & O'Sullivan, M. I. 57(9), 381-385.

REPETITIVE MOTION
An effective office ergonomic assessment and intervention program (Professional Practice). Koehl, B. 57(12), 488-490.

RESPIRATORY PROTECTION
Respiratory protection: Preparing for H1N1 influenza (Occupational Health Nursing Currents). Litchfield, S. M. 57(12), 483-484.

RESTAURANTS
Preventing burns in restaurants (Professional Practice). Papadopoulos, K. 57(7), 263-266.
Sociocultural contexts and worker safety and health: Findings of a study with Chinese immigrant restaurant workers. Tsai, J., & Bruck, A. 57(2), 51-58.

RETURN ON INVESTMENT (ROI)
Business impact of nurse-designed training for claims case managers (Continuing Education). Gleason, A. 57(5), 202-207.
Workplace lactation programs: A critical element for breastfeeding mothers' success. Mills, S. P. 57(6), 227-231.

RETURN TO WORK PROGRAMS
Occupational health nurses: The solution to absence management (Business and Leadership)? Wallace, M. A. 57(3), 122-127.

ROLE MODEL
Image revisited (Business and Leadership). Lukes, E. N. 57(6), 253-255.

RUBELLA/RUBEOLA (MEASLES)
Measles, mumps, rubella, and varicella immunization status of first responders: A policy proposal (Professional Practice). Nord, D. D. 57(5), 187-189.

SAFETY
Effects of extended work shifts and shift work on patient safety, productivity, and employee health (Continuing Education). Keller, S. M. 57(12), 497-502.
Preventing burns in restaurants (Professional Practice). Papadopoulos, K. 57(7), 263-266.
Reduction in force perspectives: The occupational health nurse as the employer (Health Updates). Tompkins, O. S. 57(5), 216.

SAFETY CLIMATE
Psychosocial factors contributing to occupational injuries among direct care workers (Business and Leadership). Zontek, T. L., Isernhagen, J. C., & Ogle, B. R. 57(8), 338-347.

SAFETY CULTURE
Evaluation of ceiling lifts in health care settings: Patient outcome and perceptions. Alamgir, H., Li, O. W., Gorman, E., Fast, C., Yu, S., & Kidd, C. 57(9), 374-380.

SAFETY ENVIRONMENT
Occupational health and safety issues among nurses in the Philippines. de Castro, A. B., Cabrera, S. L., Gee, G. C., Fujishiro, K., & Tagalog, E. A. 57(4), 149-157.

SAFETY MANAGER CERTIFICATION
Safety certification: A path to job security and personal growth (Business and Leadership). Budde, S. R. 57(1), 34-39.

SCREENING
Occupational health nursing in the driver's seat for health promotion (Professional Practice). Lang, Y. C. 57(1), 9-11.
Preventing skin cancer among a farming population: Implementing evidence-based interventions (Continuing Education). 57(1), 24-31.

SECONDARY PREVENTION
Omega-3 polyunsaturated fatty acid in primary and secondary cardiovascular disease prevention (Health Updates). Chalupka, S. 57(11), 480.

SECONDHAND NOISE
Secondhand noise and stress (Health Updates). Tompkins, O. S. 57(10), 436.

SHARP OBJECT INJURIES
Sharp object injuries among health care workers in a Chinese province. Chen, L., Zhang, M., Yan, Y., Miao, J., Lin, H., Zhang, Y., Wang, H., Du, X., & Li, T. 57(1), 13-16.

SHIFT WORK
Effects of extended work shifts and

shift work on patient safety, productivity, and employee health (Continuing Education). Keller, S. M. 57(12), 497-502.

SHORT-TERM DISABILITY
Occupational health nurses: The solution to absence management (Business and Leadership)? Wallace, M. A. 57(3), 122-127.

SKIN CANCER
Preventing skin cancer among a farming population: Implementing evidence-based interventions (Continuing Education). Gaetano, D. E., Hodge, B., Clark, A., Ackerman, S., Burdick, P., & Cook, M. L. W. 57(1), 24-31.

SLEEP/SLEEP APNEA
The costs of short sleep (Continuing Education). Ohlmann, K. K., & O'Sullivan, M. I. 57(9), 381-385.

STEWARDSHIP
Changing the conversation: The occupational health nurse's role in integrated HS^{3TM} (Business and Leadership). Weiss, M. D. 57(7), 293-299.

STRESS-RELATED ILLNESS
How can case managers effectively handle stress-related illness (Professional Practice)? Brown, N. D. 57(6), 225-226.

SUBSTANCE ABUSE
A theoretical model for understanding mental health, substance use, and work performance among Asian immigrants (Business and Leadership). Tsai, J. H.-C., & Salazar, M. K. 57(10), 425-433.

SUDDEN CARDIAC ARREST
Improving workplace safety training using a self-directed CPR-AED learning program (Continuing Education). Mancini, M. E., Cazzell, M., Kardong-Edgren, S., & Cason, C. L. 57(4), 159-167.

SURVEY
Response of public health workers to various emergencies. DeSimone, C. L. 57(1), 17-23.

SURVIVOR GUILT
Reduction in force perspectives: The occupational health nurse as the employer (Health Updates). Tompkins, O. S. 57(5), 216.

SUSTAINABILITY
A successful occupational health nurse-driven health promotion program to support corporate sustainability (Business and Leadership). Redmond, M. S., & Kalina, C. M. 57(12), 507-514.
Changing the conversation: The occupational health nurse's role in integrated HS^{3TM} (Business and Leadership). Weiss, M. D. 57(7), 293-299.

THAI WORKERS
Factors affecting Thai workers' use of hearing protection. Tantranont, K., Srisuphan, W., Kaewthummanukul, T., Suthakorn, W., Jormsri, P., & Salazar, M. K. 57(11), 455-463.

THERMAL STRESS
Cold stress in the work environment (Health Updates). Chalupka, S. 57(1), 40.

THIURAM
Thiuram allergy: A potential dermal allergy among health care workers (Professional Practice). Green-McKenzie, J., Pak, V. M., & Crawford, G. H. 57(3), 139-141.

TOBACCO USE
Worksite wellness: A cholesterol awareness program (Continuing Education). Fritsch, M. A., Montpellier, J., & Kussman, C. 57(2), 69-76.

TOUCH POINTS
Delivering ideal employee experiences (Business and Leadership). Weiss, M. D., Tyink, S., & Kubiak, C. 57(5), 210-215.

TRAINING
Business impact of nurse-designed training for claims case managers (Continuing Education). Gleason, A. 57(5), 202-207.

TRANSTHEORETICAL MODEL
The effect of tailored e-mails in the workplace: Part I. Stage movement toward increased physical activity levels. Yap, T. L., Davis, L. S., Gates, D. M., Hemmings, A. B., & Pan, W. 57(7), 267-273.
The effect of tailored e-mails in the workplace: Part II. Increasing overall physical activity. Yap, T. L., Davis, L. S., Gates, D. M., Hemmings, A. B., & Pan, W. 57(7), 313-319.

TRIAGE
The role of occupational health nurses in terrorist attacks employing radiological dispersal devices (Continuing Education). Cabrera, S. L., & Beaton, R. D. 57(3), 112-119.

TRIPLE BOTTOM LINE
Changing the conversation: The occupational health nurse's role in integrated HS^{3TM} (Business and Leadership). Weiss, M. D. 57(7), 293-299.

TRUCK STOP CLINICS
Health and gender comparisons in the long-haul trucking industry: A pilot study. Layne, D. M., Rogers, B., & Randolph, S. A. 57(10), 405-413.

TUBERCULOSIS
Tuberculosis testing update (Health Updates). Tompkins, O. S. 57(3), 128.

ULTRAVIOLET RADIATION
Preventing skin cancer among a farming population: Implementing evidence-based interventions (Continuing Education). Gaetano, D. E., Hodge, B., Clark, A., Ackerman, S., Burdick, P., & Cook, M. L. W. 57(1), 24-31.

U.S. PREVENTIVE SERVICES TASK FORCE
Using aspirin to prevent cardiovascu-

lar disease in adults (Health Updates). Chalupka, S. 57(7), 300.

VACCINATION

Developing a "best practice" influenza vaccination program for health care workers: An evidence-based, leadership-modeled program (Professional Practice). Hood, J., & Smith, A. 57(8), 308-312.

Evaluating risk: Rabies exposure and occupational implications (Continuing Education). Powell, J. C. 57(11), 465-471.

Summary recommendations by the Advisory Committee on Immunization Practices (ACIP) for the use of H1N1 influenza vaccine for the 2009-2010 vaccination season (Occupational Health Nursing Currents). Litchfield, S. M. 57(9), 354.

Why health care workers decline influenza vaccination (Business and Leadership). Moore, B. S. 57(11), 475-478.

VARICELLA

Measles, mumps, rubella, and varicella immunization status of first responders: A policy proposal (Professional Practice). Nord, D. D. 57(5), 187-189.

VOLUNTARY ORGANIZATIONS

How can case managers stay abreast of community resources to support chronic health conditions (Professional Practice)? Brown, N. D., Haag, A. B., & Kalina, C. M. 57(3), 95-96.

WOMEN'S HEALTH

Evaluation of menopausal interventions at a Japanese company. Ariyoshi, H. 57(3), 106-111.

Self-reported back pain among farm women in southeast Louisiana. Hathorn, D. C., Carruth, A. K., Agosta, L. J., & Pryor, S. K. 57(6), 232-238.

Workplace lactation programs: A critical element for breastfeeding mothers' success. Mills, S. P. 57(6), 227-231.

WORKERS' COMPENSATION

Business impact of nurse-designed training for claims case managers (Continuing Education). Gleason, A. 57(5), 202-207.

Occupational health nurses: The solution to absence management (Business and Leadership)? Wallace, M. A. 57(3), 122-127.

When is an injury compensable (Professional Practice)? Foster, D. 57(11), 443-445.

WORK PERFORMANCE

A theoretical model for understanding mental health, substance use, and work performance among Asian immigrants (Business and Leadership). Tsai, J. H.-C., & Salazar, M. K. 57(10), 425-433.

Effects of extended work shifts and shift work on patient safety, productivity, and employee health (Continuing Education). Keller, S. M. 57(12), 497-502.

WORKPLACE VIOLENCE

Occupational health and safety issues among nurses in the Philippines. de Castro, A. B., Cabrera, S. L., Gee, G. C., Fujishiro, K., & Tagalog, E. A. 57(4), 149-157.

Reduction in force perspectives: The occupational health nurse as the employer (Health Updates). Tompkins, O. S. 57(5), 216.

ZOONOTIC DISEASE

Evaluating risk: Rabies exposure and occupational implications (Continuing Education). Powell, J. C. 57(11), 465-471.

Malaria (Health Updates). Tompkins, O. S. 57(9), 396.
